1

What is Bonevi?

Bonevi is a new concept in the beverage market. It is a **sparkling wine** that is always served at the ideal temperature and the right amount. His flute.

A surprising beverage that is refreshing and versatile served through an unique system known as **EXPRESS SPARKLING WINE.**

2

The beverage

Bonevi is a wine that turns into a **sparkling wine** when served to the consumer.

Produced with **European grapes** in one of the most respected sparkling wine maker regions of the world, the South of Brazil. The quality is guaranteed by **Garibaldi Winery**, who holds several international awards.

It is presented in 2 versions, **Bonevi Dry** and **Bonevi Semi-dry**.

BONEVI

3

A promising business

In 2013 Bonevi was chosen, among **1600** competitors, as the **top 20 most promising start-ups of Brazil** by "Inovativa Brasil", which is a program developed by MDIC, Endeavor and McKinsey & Company

McKinsey&Company

4 The sales solution

We present a **innovative solution** to a market that has always asked for **sparkling wine served in a flute**, with a **competitive and profitable pricing**.

Bonevi combines the **sophistication** of sparkling wine with the **simplicity** and **sales potential** of beer on tap.

Our product was specially design to cater to **hotels, resorts, events, bars and restaurants**.

5

Approved by the consumer market

The Bonevi brand has shown **strong demand** and **success through** events, VIP parties and wine tastings

6 German technology

Our **patented technology** allows us to distribute Bonevi in **packages of 25 liters**. Thus, showing **higher profitability** along side **waste reduction**.
